Five Year Limited Warranty

Your TimberHawk Bow is guaranteed against defects in materials and workmanship for a period of five years from date of purchase. If there is a failure, TimberHawk will repair or replace the product to your full satisfaction.

Limitations/Exceptions

This warranty will be void if:

- Any means of stringing the bow is used other than a bow stringing device such as the one provided with your bow.
- Damage due to "dry firing" (releasing the string without an arrow on the string).
- Any alterations not made by TimberHawk Bows such as:
- Drilling holes into the riser or limbs.
- Altering the dimensions of the riser or limbs.

This warranty does not cover:

- The string
- Normal wear to the finish
- Damage caused by misuse or rough handling.

****Note1**** FastFlite strings need to be flemish type (like provided with your bow) and must have at least 16 strands at the loop for bows under 55# and 18 strands for bows over 55#.

****Note2**** Long bows are exempt from requiring the use of a bow stringing device. Although it is recommended for the safety of the person stringing the bow.
